

Lock Up Policy

NQS

National Regulations

12	Meaning of serious incident
85	Incident, injury, trauma and illness policies and procedures
168(2)(f)	Education and care service must have policies and procedures providing a child safe environment

Aim

We aim to minimise the potential for any incidents to occur at our service as we close up each day by adhering to the following “lock-up” procedures. This will ensure the safety and wellbeing of all children at the service.

Implementation

At the end of our service operations each day, the Certified Supervisor present at the Service will:

- check the premises outdoors and indoors to ensure that no child remains on the premises after the service closes.
- review the children’s attendance records to ensure all children who were signed in that day have been signed out.

If a child has not been signed out the Responsible Person will:

- if possible ask educators if the child was collected.
 - immediately conduct a search of the premises, indoors and outdoors to locate the unaccounted for child if educators are unsure whether the child has been collected.
 - contact the child's parents if the child is not located to see if the child was collected without being signed out
 - contact the police if the child is missing
 - immediately document a missing child incident using the Incident, Injury, Trauma and Illness Record template published by the national authority ACECQA at www.acecqa.gov.au
 - notify the regulatory authority within 24 hours of the serious incident involving missing child using the notification form [SI01 Notification of Serious Incident](#) .
- Turn off lights and air-conditioning
 - Ensure all sign in clipboards and personal information are placed in the office and the office is locked.
