Dear Parents,

Plans are well underway for a wonderful and inspirational summer!!

Each year we strive to improve things at CGI, and this year is no different. This year we have tried to think of ways to improve the laundry situation and to this effect we have teamed with a laundry company in Bright to provide a pickup and drop off service for campers to have their laundry done.

What we are offering is a one time, pick up and return during main camp. Campers who want to have their washing done will need to pre book this option on the enrolment form. The cost is \$8 per laundry bag. (Chabad Youth will provide these bags) The campers will place all their laundry in a named bag and that will be picked up by the laundry company the first Thursday of camp and returned on the Sunday.

What this essentially means is that campers will need enough clothing from the first day of camp (Friday) and until Sunday 10 days later.

If children decide to combine clothing between themselves Chabad Youth will not be responsible for misplaced items. We also are not responsible for any items that go missing or get misplaced throughout the laundering process.

Masmidim and masmidos campers will do their laundry in between their camp programs.
