# YOGA

Come join our Yoga Journey for a unique experience.  
Each class has four elements to it:

- 1 - A deep breathing exercise,
- 2 - Yoga poses / Movement - these are sometimes connected to a story or theme,
- 3 - Something fun like a poses game, group game to work on team work and respect, various short games etc.  
Sometimes these are connected to the poses/movement above and sometimes independent
- 4 - Various techniques to introduce relaxation or visualization for the group to conclude the class.

The focus of the classes is to familiarise and teach breathing and relaxation techniques as well as movements/poses to strengthen the body and improve flexibility. The goal is to build emotional and physical well being through the above mentioned methods and most importantly to have a lot of fun in each class.

## ABOUT US

### **Our Philosophy:**

We believe that all children have the right to experience quality child care.

Traditional Jewish values and ethics as promulgated by the Torah are central to the philosophy of our institutions. These values include belief in G-d, love of fellow man, respect for parents, pride in Judaism, study of Torah and observance and appreciation of Mitzvos.

Each child is encouraged to recognise their own self-worth and that through the particular gifts and abilities that G-d has bestowed upon them, they are able to better the world.

Essential to the centre's philosophy is the need to maintain a warm, positive and co-operative environment in which students can grow and learn. Such a nurturing environment is deemed vital for the development of self-esteem, and confidence.

Our Aftercare & Vacation Care aim is to support the wellbeing and development of the "whole child", and as such provide a balance of social, religious and secular themes as well as life skills, to promote the child's complete personal development. The overall philosophy is developed in collaboration with children, educators, families, community and management. This process respects and values the views of all and enhances clarity and understanding

between all users of the service.

Our philosophy draws on values held by educators, families and management and reflects the needs and values of the community. We value each and every child as capable and confident, regardless of their capabilities and background within the context of the family and we believe that the family is the primary educator of each child. Each child's family knows their child best, and staff will work in partnership with families to ensure the best outcomes for children.

We believe that children's learning in our setting complements their learning at home and at school however the importance of relationships and strengthening each child's strengths, skills, talents and interest is priority. We recognise and value that children's learning and development evolves through their relationships where they shape their own identities to become active citizens.

At Chabad Youth we strive to promote children to experience, meaningful and joyful learning to enrich their childhood. We value and encourage each child to be involved in decision making that influence their learning, wellbeing, development and decisions that affect their world.

We as educators and the service will be guided at all times by the Early Childhood Code of Ethics (2006), National Quality Framework and all Early Education and Care legislation.

# OUTSIDE SCHOOL HOURS CARE

Outside school hours care centres provide care for primary school aged children, before and after school, during school holidays and on pupil-free days. Vacation care is a type of outside school hour's care that includes indoor and outdoor activities. These centres are sometimes run by the same organisation that runs before and after-school care. The majority of outside school hours care centers are approved child care services. This means that families using the service may be eligible for the Child Care Subsidy. Approved services must also show that they are meeting certain quality standards.

## CHILD CARE SUBSIDY

Child Care Subsidy (CCS) is paid by the Australian Government to help families with the cost of childcare fees.

This subsidy is paid directly to childcare providers.

Three things will determine a family's level of Child Care Subsidy:

- 1. Combined family income**
- 2. Activity level of parents**
- 3. Type of child care service**

Some basic requirements must be

satisfied for an individual to be eligible to receive Child Care Subsidy for a child.

These include:

- the age of the child (must be 13 or under and not attending secondary school)
- the child meeting immunisation requirements
- the individual, or their partner, meeting the residency requirements.

To claim this subsidy, you will need to submit a claim through myGov.

To find more information about Child Care Subsidy (CCS), please visit the Department of Human Services website or call 13 61 50.

**Please note that CCS does not apply to absent days at the start or end of a day camp program. Parents will be liable for the full fee.**
